

10th NRW Nano Conference

Innovations in Materials and Applications

23rd - 24th May 2023 – The Dortmund Congress Centre

Information for Exhibitors and Sponsors

10th NRW Nano-Conference

Be part of Germany's largest conference for nanotechnology and innovations in the field of materials and applications. Organised by the Ministry of Economics, Innovation, Digitalization and Energy of the State of North Rhine-Westphalia, the Economic Development Agency Dortmund and the Cluster NMWP.NRW the international, 2-day event brings together experts from science, industry and politics.

You have the possibility to present your company or institute to key technology professionals and promote your research and applications.

Please book your booth and/or sponsoring package by latest **31st January 2023**.*

The booking platform will soon be available at
www.nanoconference.de

If you have any questions or need help deciding which package suits your needs best, please do not hesitate to contact us:

Best Start-up Award

Show the world your potential

There is no better way to prove that you have a great idea, than by winning a contest! Pitch your idea to the visitors and the jury to win the Best Start-up Award at the 10th NRW Nano Conference. The awarding ceremony will take place during the networking event on the evening of the first conference day.

1st place: **500€**

2nd place: **250€**

3rd place: **150€**

All booths as well as the equipment are rented for the duration of the conference and have to be returned after the event.

Sponsoring packages

Promote your business

As a sponsor you can promote your business at the most important expert meeting on nanotechnology. You present yourself and your company or research facility prominently to the brilliant minds of today and future starts at the same time.
